## PRESS RELEASE

Re: September 2014 Building Permits

During the month of September 2014 in the city of Central, a total of 8 new residential permits were issued. The total valuation of these permits was \$1,883,654.

Within these September permits, three were in Woodstock with an average valuation of \$214,225; one in Gates at Burlington valued at \$151,398; one in Twin Lakes Estates valued at \$192,284; two in Village at Magnolia Square with an average valuation of \$351,883; and one in the 22000 block of Greenwell Springs Rd valued at \$193,630.

Building valuation is the price based upon the square footage of the home used for permitting purposes. The actual selling price of the home is usually higher than the valuation and depends upon amenities installed by the builder.

On the commercial side, plan review documents were submitted for the following: 1) 14200 Sparkle Drive (R.J. Daigle & Sons) for a commercial addition, and 2) 9835 Sullivan Rd for the relocation of Pat's Hardware.
